RE: ID #C00064774 July Monthly Report (6/1/00-6/30/00)

In response to your letter of August 30, 2000, I am enclosing our amended Report of Receipts and Disbursements covering the period of June 1, 2000, through June 30, 2000, which should replace the report previously submitted.

On Schedule B supporting Line 23, please note the redesignation to the general election of two contributions disbursed after the primary election date. Further, the office sought (House/Senate/President) and the appropriate District numbers are included on Schedule B for Line 23.

If we have overlooked anything, you can reach me at (561)691-7741, or the Records Custodian at (561)694-3528.

Sincerely

A handwritten signature in black ink, appearing to read "T. L. Winder".
